

WebViewClient with Java trong Android

- Bước 1: thêm thư viện viewBinding trong build.gradle(module app) và Manifest.xml

```
buildFeatures {
    viewBinding true
}
```

```
<uses-permission android:name="android.permission.INTERNET" />
```

```
android:usesCleartextTraffic="true"
```

□ Bước 2: Giao diện của MainActivity2

```
<?xml version="1.0" encoding="utf-8"?>
<LinearLayout
    xmlns:android="http://schemas.android.com/apk/res/android"
    xmlns:app="http://schemas.android.com/apk/res-auto"
    xmlns:tools="http://schemas.android.com/tools"
    android:layout_width="match_parent"
    android:layout_height="match_parent"
    tools:context=".MainActivity"
    android:orientation="vertical">

    <WebView
        android:id="@+id/webview"
        android:layout_height="match_parent"
        android:layout_width="match_parent">

    </WebView>

</LinearLayout>
```

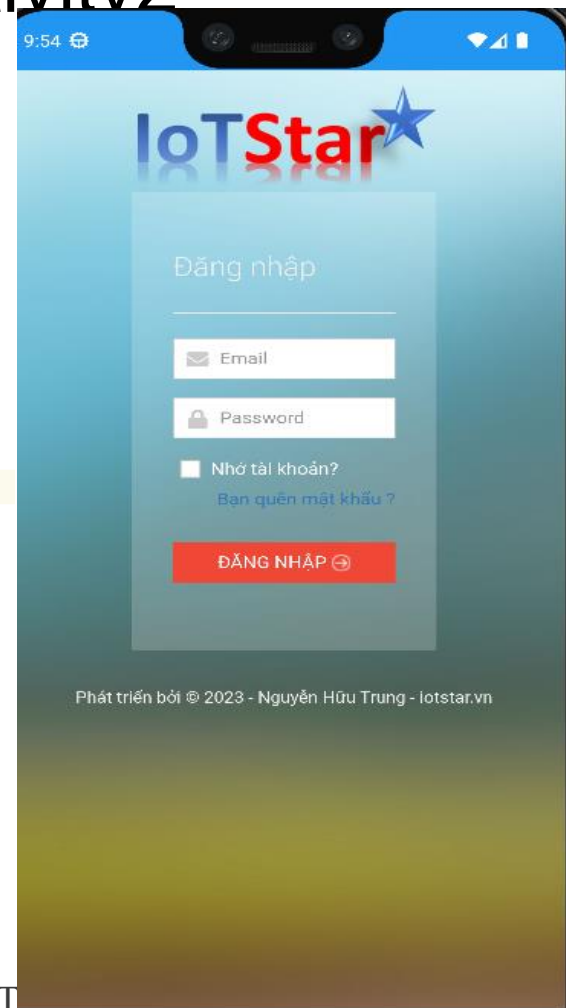

□ Bước 3: Viết code cho MainActivity2

```
public class MainActivity2 extends AppCompatActivity {

    private ActivityMain2Binding binding;

    @SuppressWarnings({"SetJavaScriptEnabled", "WebViewApiAvailability"})
    @Override
    protected void onCreate(Bundle savedInstanceState) {
        super.onCreate(savedInstanceState);
        binding = ActivityMain2Binding.inflate(getLayoutInflater());
        setContentView(binding.getRoot());

        getSupportActionBar().hide();
        binding.webview2.getSettings().setLoadWithOverviewMode(true);
        binding.webview2.getSettings().setUseWideViewPort(true);
        binding.webview2.getSettings().setJavaScriptEnabled(true);
        binding.webview2.setWebViewClient(new WebViewClient());
        binding.webview2.getSettings().setBuiltInZoomControls(true);
        binding.webview2.getSettings().setDomStorageEnabled(true);
        binding.webview2.getSettings().setDatabaseEnabled(true);
        binding.webview2.getSettings().setCacheMode(WebSettings.LOAD_CACHE_ELSE_NETWORK);
        binding.webview2.setWebChromeClient(new WebChromeClient());
        binding.webview2.loadUrl("http://iotstar.vn");
    }
}
```
